

ZIMBABWE

WE PROVIDE BUBI RIVER AND SHINGANI SAFARI AREA

Our primary hunting concessions are located in Bulawayo (Shangani area) and Southeastern Zimbabwe and include parts of the famous Bubi River Area, as well as several other blocks of excellent hunting territory in this region of the country. Air charters are not required to reach these hunting areas, which is another savings that you will realize. All of the camps are very comfortable and feature full bath facilities in all of the rooms, as well as comfortable dining areas and a traditional African fire pit for enjoying "sundowners" and a bit of storytelling. The PH's are some of the very best we have ever hunted with and regularly receive great review from our clients. Due to the vast amount of game country and various safari camps available to us, we are able to offer a wide variety of hunting packages and can custom tailor programs to meet your specific interests. Non-hunting guests are always welcome and can either accompany the safari, or just relax and enjoy the tranquility of Africa in camp. For over a decade this has been one of our top choices for African big game hunting and continues to be so today.

This area is populated with Elephant and Leopard as well as the more common plains game species such as Hippo, Sable, Kudu, Waterbuck, Bushbuck, Zebra, Impala, Warthog, Hyena etc.
