

## **ZIMBABWE ELEPHANT HUNT**

The Hunting zone is more than 200000ha and it's a Private property!!! This is a best area in Zimbabwe for large elephant bulls for the last 3 years. There are no females in the area. We take almost all bulls over 50 pounds, and some more than 60 pounds!!

Our property is divided in two large areas.

The northern part is the home for a large population of mature elephant bulls, as well as, species including Sable, Tsessebe, Eland, Kudu, Impala, Burchell Zebra, Warthog and other. And the southern part there is a majority of only the plains game animals.

### **Accommodations:**

We offer hi-quality safari camps each featuring private bungalows with mattressed beds, flushing toilets, showers, hot and cold running water, and generator powered lighting. A full compliment of camp staff exist at each to provide hot meals, daily laundry and client services. Our camp is situated on a bank small dam and lounge/dining hall facing the sunsets. Though it is remote, in the camps all the necessary equipment and personnel to cater to any needs our hunters may have. An extensive fleet of modern fully equipped 4 x 4 Toyota vehicles; along with HF radio links, satellite telephone, email, and charter plane access are all provided to ensure adequate transportation and constant communication coverage.

The most efficient route is for clients to arrive and depart through Bulawayo, Zimbabwe, which is serviced by a commercial jet service from Johannesburg, SA Airways daily. Should conditions dictate there are other options Harare in Zimbabwe and Dar-res- Salaam in Tanzania that can be arranged.

### **MEDICAL INFORMATION**

#### **Our hunting area is a very low malaria zone**

Nevertheless Zimbabwe, as with the majority of Africa is a malaria endemic area. Although this disease is only noticeably prevalent during the wet summer months, it is advised that a course of prophylactics should be taken before and after your visit. As anti- malarial drugs differ widely between countries and physicians, please consult with your local doctor. We can advise on certain drugs, but take no responsibilities for effectiveness or side effects.

Comprehensive medical boxes are available in all camps and our professional hunters are trained in basic first aid. It is advisable to utilize a medical rescue program such as med jet and take out personal coverage.
